

i-line® system 1

A classic, timeless, modular sign system with elegant lines and soft radiused end profiles. A full range of products includes everything from door signs and directories through to slim lockable cabinets and touch screen kiosks.

i-line system 1 is built from unique 8mm hollow section extrusions which can accommodate materials such as self healing pinboards, chalk boards and dry-wipe surfaces.

Endless opportunities exist for providing innovative and dynamic solutions for your clients.

pin boards
